“*The Cape on Bowen offers an exceptional opportunity to capture and enjoy the “West Coast” experience from your home or vacation property.*”

“ Our architecture responds to the subtleties of place, whether man-made or natural, to the complex nature of people and cultures and to the rich possibilities of materials and methods of construction. ”

We provide complete architectural services within an open and collaborative studio centrally located in Vancouver BC. We provide personalized service and facilitate the entire design and construction process to ensure our clients goals are achieved. Our creative team of architects can help you build a home that is bold, yet practical, environmentally responsible and authentic.

Arris Architecture is a registered member of the Architectural Institute of British Columbia (AIBC).
